# A MESSAGE FROM OUR EXECUTIVE DIRECTOR, MISS TAMMIE

High Desert Montessori School was approved in November to participate in the Nevada Ready Grant, sponsored by the United Way. This grant allows for qualifying 4 year olds to attend our primary program's school day program at no cost. This school year, we were fortunate enough to qualify 8 children for this grant. Our hope is to qualify 15 4 year old children for the 23-24 school year. The eligibility requirements of the grant are that children enrolled in the program must be 4 years old by the cutoff date and families determined to be income eligible below 200% of poverty level. More information can be found [HERE](#).

## Nevada Ready! State Pre-K Eligibility

For the 2022-2023 school year, children must be 4 years of age on or before the cut-off date **and** meet the income qualifications outlined in the charts below.

| Household/Family Size (How many people live with you?) | The Equivalent of 200% of the Annual 2022 Federal Poverty Guidelines |
|--|--|
| 1  | \$27,180   |
| 2  | \$36,620   |
| 3  | \$46,060   |
| 4  | \$55,500   |
| 5  | \$64,490   |
| 6  | \$74,380   |

| 8  | \$93,260   |

# A MESSAGE FROM OUR MONTESSORI ADVISOR, MISS KALEIGH

## Concerns about Social Media

Did you know that children as young as 8 years old are getting onto social media? (NY Times).

At HDMS, we know that there are students using a variety of social media, at a variety of ages- and unfortunately it is impacting the school. Many schools have dealt with issues such as children following dangerous TikTok challenges to damage the school, and/or potentially hurt themselves; as well as trying to get onto social media at school during school hours. Our school is no stranger to social media situations such as these.

As a school, we encourage you to talk to your child about social media and its risks.

## INTENT TO RETURN FOR 2023-2024

Did you know there are almost 500 students on the HDMS waiting list? It's vital for our office to know how many students are returning next school year, so that we know how many spots we have for new students. PLEASE fill out an Intent to Return for each of your children as soon as possible. This step does not take the place of registration in the spring, it simply holds a spot on the roster for your child to return next school year.

Use link for the program your child CURRENTLY attends. One form per child.

## SIBLING ENROLLMENT FOR 2023-2024

siblings

If you have a student currently enrolled at HDMS and you are hoping to enroll a sibling next school year, please reach out to Miss Stacey ASAP! [stacey@hdmsreno.com](mailto:stacey@hdmsreno.com) While we can never guarantee a spot will be available, siblings do have priority enrollment per our enrollment procedures found [HERE](#).

## ATTENTION PRIMARY PARENTS/GUARDIANS

HDMS has recently been auditing student files in preparation for an external audit. We have contacted many parents regarding missing documents. If you have been contacted by admin, or have received a voicemail regarding your primary student's paperwork, please turn in the documents by Friday, 2/10/23. Any child who is still missing documents will not be permitted to attend school Monday, 2/13/23 nor will they be able to return until the required documents have been received.

If you are awaiting an appointment for your child's well care check, please provide us the date of that appointment, and provide the document soon after the appointment. If you find it easier to email a photo of the needed documents, please feel free to email to [sheila@hdmsreno.com](mailto:sheila@hdmsreno.com).

Thank you for your immediate attention in this matter.

# NEW ILLNESS EXCLUSION GUIDELINES FROM WCSD & WCHD

Per the Health District, beginning on January 10, 2023, the following 'exclusion practices' (guidelines for when students and staff may return following illnesses) will be observed in HDMS schools and other workplaces:

- Fever – The ill person needs to be fever free for 24 hours without medication prior to return.
- Vomiting/diarrhea – The ill person should not experience any vomiting/diarrhea for 24 hours without medication prior to returning.
- Rash of unknown origin – The ill person should not return to school or work until a medical exam confirms these symptoms are not contagious. If it is a contagious skin infection, the ill person must remain away from school or work until 24 hours after treatment has begun. Children or staff who have a rash with a fever should not be allowed to return until fever has been gone for 24 hours (without the use of fever-reducing medication) and should not return until there have been no new lesions for 24 hours.
- Yellow or greenish drainage from eyes, nose, or ears – The ill person can return to school or work if they have taken antibiotics for the 24 hours before returning or drainage has completely resolved.
- Sore throat – The ill person will be sent home and should be seen by a healthcare provider if symptoms worsen. The ill person may return the following day if symptoms improve.
- Cough – The ill person may attend school or work unless they have a fever or other symptoms indicating a possible infection.
- COVID – If diagnosed with a lab confirmed test or home test, the ill person will be excluded from school or work for 5 days, and may return on day 6 if they can wear a mask for the next 5 days.

## HELP OUR ARCHERY TEAM GO TO NATIONALS!

Archery is the only sport at HDMS. Our Elementary & Middle School teams compete annually in the National Archery in the Schools Program (NASP) Nevada State Tournament. We are THRILLED to share that this year our Middle School Team placed FIRST in the state of Nevada, which qualifies the entire team to compete in the Western National NASP Tournament in Sandy, Utah in late April. We want ALL 24 of our team members, no matter their economic status, to be able to share this incredible opportunity.

This will be an experience these students will never forget. There is nothing quite like hearing the thud of hundreds of arrows simultaneously hitting targets in the huge arena of the National Tournament. It is simply unforgettable.

Please help our team get to Nationals! Funds raised will help cover the costs of travel, food, & lodging.

Can you or your workplace help to sponsor our team? Please reach out to Miss Laurel [laurel@hdmsreno.com](mailto:laurel@hdmsreno.com) for more details.

Any amount helps! Please donate at our GoFundMe <https://gofund.me/9a717dc8>

## A MESSAGE FROM OUR GREEN PARENTS GROUP

Valentine's Day is coming up, and though some of the classrooms have chosen to NOT organize activities related to this particular event, it's difficult to ignore with so much publicity in stores and in the media. It's helpful to remember that it is a day to celebrate love and friendship, and that these could not be possible without the beautiful world in which we live. Let's celebrate with simple sustainable things that are not wasteful or polluting. How about simply making a card from used paper or cardboard, or get creative expressing your love by baking your own sweet treats. Love with respect for our environment is really all that matters at the end of the day!

And this [website](#) has lots more fun ideas, zerowaste.
